Erratum

Biosimilars and biopharmaceuticals: what the nephrologist needs to know—a position paper by the ERA-EDTA Council

Stanley Shaldon

25 Le Michelangelo, 7 Avenue des Papalins, Monaco 98000, Monaco

*Nephrol Dial Transplant* 2009; doi:10.1093/ndt/gfp119

By mistake, the date of publication on Advanced Access (March 27, 2009) was not printed above Dr Shaldon’s letter. Dr Shaldon’s revised letter was accepted on February 4, 2009.

Dr Macdougall’s letter and the corresponding reply from Dr Covic, which directly precede Dr Shaldon’s letter, were not published on Advanced Access as they were submitted later.

The editors and publishers apologise for this error.

doi: 10.1093/ndt/gfp221

Erratum

Prediction of the severity and outcome of acute tubular necrosis based on continuity of Doppler spectrum in the early period after kidney transplantation

Aureliusz Kolonko, Jerzy Chudek and Andrzej Więcek

Department of Nephrology, Endocrinology and Metabolic Diseases, Medical University of Silesia, Katowice, Poland

The author name, Andrzej Więcek, should have been spelt as it appears above.

The publishers would like to apologise for this error.
