

BI&T Peer Reviewers: 2020

Many professionals in areas related to healthcare technology generously contribute their time and expertise in the peer review of manuscripts submitted for publication in *Biomedical Instrumentation & Technology*. The editors gratefully acknowledge the contributions of the following reviewers who submitted critiques between Dec. 18, 2019, and Dec. 5, 2020.

Anas Aljabo
SteriPro Canada

Natalie Abts
Genentech

Anas Aljabo
SteriPro Canada

Jason Amaral
Abbott

Shawn Anderson
Intermountain Healthcare

Nadia Ayoubzadeh
Allina

Mercedes Bayani
Bioness

Jen Benolken
Dupont

Eric Bergman
Fresenius Medical Care North America

Richard Botney

AAMI Connect

Your one-stop shop for online discussion groups!

- Connect with healthcare technology professionals from around the globe.
- Have a question? Get it answered here!
- Share resources.
- Participate in discussions on key issues.

COMMUNITIES YOU CAN JOIN:

- AAMI Members
- Educators
- HTM
- Students and young professionals

To find out more about AAMI Connect, visit www.aami.org/connect.
