

**Erratum in:** “Three-Year Outcomes of Neovascular Age-Related Macular Degeneration in Eyes That Do Not Develop Macular Atrophy or Subretinal Fibrosis” by Pierre-Henry Gabrielle, Vuong Nguyen, Jennifer J. Arnold, Sanjeeb Bhandari, Francesco Viola, Odette A. M. Tigchelaar-Besling, Gonzaga Garay-Aramburu, Louise O’Toole, Chui Ming Gemmy Cheung, Daniel Barthelmes, Catherine Creuzot-Garcher, and Mark Gillies (*Transl Vis Sci Technol.* 2021;10(13):5), <https://doi.org/10.1167/tvst.10.13.5>.

When the article was first published, there was a typo in author Louise O’Toole’s name. The spelling has been corrected in the article online.
