
When the article was first published, the affiliation of the last author was listed incorrectly. Yuichi Hori’s affiliation should have been listed as Department of Ophthalmology, School of Medicine, Toho University, Tokyo, Japan. This has been corrected in the article online.

There was a typo in Figure 1. The unit for dose of adrenaline was displayed as ng/kg/min. It should have been ng/kg/10 min. The original figure image has been replaced with a corrected image in the article online.
