Aims and Scope

European Heart Journal - Cardiovascular Imaging is a monthly international peer reviewed journal dealing with Cardiovascular Imaging. It is an official publication of the European Association of Cardiovascular Imaging, a registered branch of the European Society of Cardiology.

The journal aims to publish the highest quality material, both scientific and clinical from all areas of cardiovascular imaging including echocardiography, magnetic resonance, computed tomography, nuclear and invasive imaging. A range of article types will be considered, including original research, reviews, editorials, imaging focus, letters and recommendation papers from relevant groups of the European Society of Cardiology. In addition it provides a forum for the exchange of information on all aspects of cardiovascular imaging.

Authors wishing to submit to European Heart Journal - Cardiovascular Imaging should refer to the instructions to authors (https://academic.oup.com/ehjcimaging/pages/General_Instructions) and submit papers to the online submission system (http://www.editorialmanager.com/ehjci/)

European Heart Journal - Cardiovascular Imaging comprises 12 issues (includes European Heart Journal - Cardiovascular Imaging Supplements). All prices include postage, and for subscribers outside the UK delivery is by Standard Air. Advance Access contains papers that have reached corrected proof stage, but have not yet been included within an issue. Advance Access is updated daily.

Annual subscription rate (Volume 23, 12 issues, 2022)
Subscription and single issue pricing information is available at https://academic.oup.com/ehjcimaging/subscribe.

There may be other subscription rates available, for a complete listing please visit https://academic.oup.com/ehjcimaging/subscribe.

All prices are subject to change without notice, the currency used is GBP unless otherwise stated.

Full prepayment, in the correct currency, is required for all orders. Orders are regarded as firm and payments are not refundable. Subscriptions are accepted and entered on a complete volume basis. Claims cannot be considered more than four months after publication or date of order, whichever is later. All subscriptions in Canada are subject to GST. Subscriptions in the EU may be subject to European VAT. If registered, please supply details to avoid unnecessary charges. For subscriptions that include online versions, a proportion of the subscription price may be subject to UK VAT. Personal rate subscriptions are only available if payment is made by personal cheque or credit card and delivery is to a private address.
