

The Organizers of the 1999 International Symposium on Testing and Failure Analysis would like to acknowledge and thank the following people for their assistance in editing this proceedings:

**Richard E. Anderson**  
Sandia National Laboratories  
Albuquerque, New Mexico

**Christian Boit**  
Infineon Semiconductors, AG  
Munich, Germany

**Ann N. Campbell**  
Sandia National Laboratories  
Albuquerque, New Mexico

**James J. Erickson**  
Hughes Space and Communications Co.  
El Segundo, California

**Keenan L. Evans**  
ON Semiconductor  
Phoenix, Arizona

**Steven Ferrier**  
SDG Analytic Inc.  
Corvallis, Oregon

**Leo G. Henry**  
ORYX Instruments Corp.  
Fremont, California

**Kultaransingh N. Hooghan**  
Lucent Technologies  
Allentown, Pennsylvania

**Edward Keyes**  
Semiconductor Insights  
Kanata, Ontario, Canada

**Steven J. Kirch**  
Intel Corporation  
Santa Clara, California

**Kathy M. McCray**  
Diversified Technologies Resources  
Colorado Springs, Colorado

**Gary M. Molle**  
Kaiser Electronics  
San Jose, California

**Thomas M. Moore**  
Texas Instruments, Inc.  
Dallas, Texas

**James D. Plante**  
Adaptec, Inc.  
Milpitas, California

**H. Stan Silvus, Jr.**  
Southwest Research Institute  
San Antonio, Texas

**Matt Thayer**  
Advanced Micro Devices  
Austin, Texas

**Massimo Vanzi**  
Universita' di Cagliari  
Cagliari, Italy

**Lawrence C. Wagner**  
Texas Instruments  
Dallas, Texas

**Jane E. Wheeler**  
Surface Science Laboratories  
Mountain View, California

## ISTFA '99 Organizing Committee

**Sandra Delgado**  
*General Chair*  
Accurel Systems International  
Sunnyvale, California

**Daniel L. Barton**  
*General Vice Chair*  
Sandia National Laboratories  
Albuquerque, New Mexico

**James B. Colvin**  
*Exposition Co-Chair*  
WSI  
Fremont, California

**Catherine Renteria**  
*Exposition Co-Chair*  
Compaq, Tandem Division  
Cupertino, California

**Richard J. Ross**  
*Seminar Committee Chair*  
IBM Corporation  
Essex Junction, Vermont

**Christian Boit**  
*Seminar Committee Vice Chair*  
Infineon Semiconductors, AG  
Munich, Germany

**Anu Barman**  
*Audio Visual Chair*  
Lambda Advanced Analog  
Santa Clara, California

**Thomas M. Moore**  
*Publicity Chair*  
Texas Instruments, Inc.  
Dallas, Texas

## EDFAS 1999 Board of Directors

**Lawrence C. Wagner**  
*EDFAS President*  
Texas Instruments  
Dallas, TX

**Edward I. Cole, Jr.**  
*EDFAS Vice President*  
Sandia National Laboratories  
Albuquerque, NM

**Gary F. Shade**  
*EDFAS Secretary*  
Visteon Microelectronics  
Colorado Springs, CO

**Daniel L. Barton**  
*EDFAS Member-At-Large*  
Sandia National Laboratories  
Albuquerque, NM

**Christian Boit**  
*EDFAS Member-At-Large*  
Infineon Technologies/FA  
Munich, Germany

**Sandra Delgado**  
*EDFAS Member-At-Large*  
Accurel Systems International  
Sunnyvale, CA

**James J. Erickson**  
*EDFAS Member-At-Large*  
Hughes Space and Communications Co.  
El Segundo, CA

**Shekhar Khandekar**  
*EDFAS Member-At-Large*  
Level One Communications, Inc.  
Sacramento, CA

**Richard J. Ross**  
*EDFAS Member-At-Large*  
IBM Microelectronics Division  
Essex Junction, VT

# ISTFA '99 Abstract Review Committee

## ***Advanced Techniques***

**Thomas M. Moore**  
Texas Instruments, Inc.  
Dallas, Texas

## ***Backside Analysis***

**Dave Vallett**  
IBM Microelectronics Division  
Essex Junction, Vermont

## ***Case Histories I***

**James Plante**  
Accurel Systems International  
Sunnyvale, California

## ***Case Histories II***

**Stan Silvus**  
Southwest Research Institute  
San Antonio, Texas

## ***Discretes***

**Gary M. Molle**  
Kaiser Electronics  
San Jose, California

## ***FIB***

**Ann N. Campbell**  
Sandia National Laboratories  
Albuquerque, New Mexico

## ***Packaging***

**Kathy M. McCray**  
Diversified Technologies  
Resources  
Colorado Springs, Colorado

## ***New Subjects***

**Jane E. Wheeler**  
Surface Science Laboratories  
Mountain View, California

## ***Techniques***

**Ronald E. Pyle**  
Motorola SPS  
Austin, Texas

# ISTFA '99 Other Committees

## ***Keynote Speaker Team***

**Sandra Delgado**  
Accurel Systems International  
Sunnyvale, California

## ***Shekhar Khandekar***

Level One Communications, Inc.  
Sacramento, California

## ***Seshu V. Pabbisetty***

Texas Instruments Semiconductor Group  
Stafford, Texas

## ***International Liaisons***

**Paolo Malberti**  
Swiss Federal Institute of Technology  
Zurich, Switzerland

## ***Sumio Matsuda***

NASDA Tsukuba Space Center  
Ibaraki, Japan

## ***Jacob Phang***

The National University of Singapore  
Singapore

## ***Massimo Vanzi***

Universita' di Cagliari  
Cagliari, Italy

## ***Government Liaison***

**David Dylis**  
IIT Research Institute (IITRI)  
Rome, New York

## ***Publications Liaison***

**Vijay Chowdhury**  
Altera Corp.  
San Jose, California

## ***Panel Discussion Moderator***

**Leo G. Henry**  
ORYX Instruments Corp.  
Fremont, California

## ***Education Seminar Liaison***

**Ann N. Campbell**  
Sandia National Laboratories  
Albuquerque, New Mexico
