‘Sing Me a Song with Social Significance’: The (Mis)Use of Statistical Significance Testing in European Sociological Research

Fabrizio Bernard, Lela Chakhaia and Liliya Leopold

In the abstract of this article (DOI: https://doi.org/10.1093/esr/jcw047), published on 24 December 2016, the words ‘in a comparable review in the field of economics’ have erroneously been repeated. The correct sentence is ‘These results are similar to those of the comparable review in the field of economics’. The publisher apologizes for this error.

The following needs to be included in the ‘References’ section:
