

ERRATA

(Philip) Slavin erroneously appears as the author of “Agricultural History’s New Plot” on the back cover of the Autumn 2019 issue. The actual author is (Peter A.) Coclanis.

The question mark, in the Autumn 2019 table of contents and on page 272, that follows the title of Roger L. Ransom’s book *Gambling on War: Confidence, Fear, and the Tragedy of the First World War*, as reviewed by Jack S. Levy, is a typographical error.
