

## Corrections

There are a number of mistakes in *JSAH* 70.1 (March 2011).

In Alexander Ortenberg, “Joy in the Act of Drawing,” there are several typographical errors as well as these errors of substance:

pp. 40, 42: Louis Christian Mullgardt’s name is variously misspelled.

p. 48, caption to Figure 11: the caption gives the building as unknown; the drawing, dated 3 May 1902, is for the Carrère and Hastings’ Blair and Co. Building, 24 Broad Street, New York, 1902–3. In addition, the caption gives the source as *Pencil Points* 5; it is from vol. 4.

p. 57, n. 8: the name of Julien Guadet is misspelled.

p. 57, n. 14: the name of William B. Faville is misspelled.

In Christopher Long’s review of Maria Szadkowska et al., *Adolf Loos* and Jindřich Vybíral, *Junge Meister*, on p. 125, the first full sentence in the first paragraph should read, “. . . in the provinces, in Brno, Moravia. . . .” Joseph Maria Olbrich’s first name is misspelled in the same paragraph.

The editors regret these mistakes.
