

Corrigendum: Journal of Water Supply: Research and Technology – AQUA 64 (6), 670–687: Ranking of conceptualized groundwater models based on model information criteria, Majid Ehtiat, S. Jamshid Mousavi and Abbas Ghaheri

The authors regret that Figure 4 was incorrect in their original paper and apologise for any inconvenience caused. The correct version of the figure can be found below.

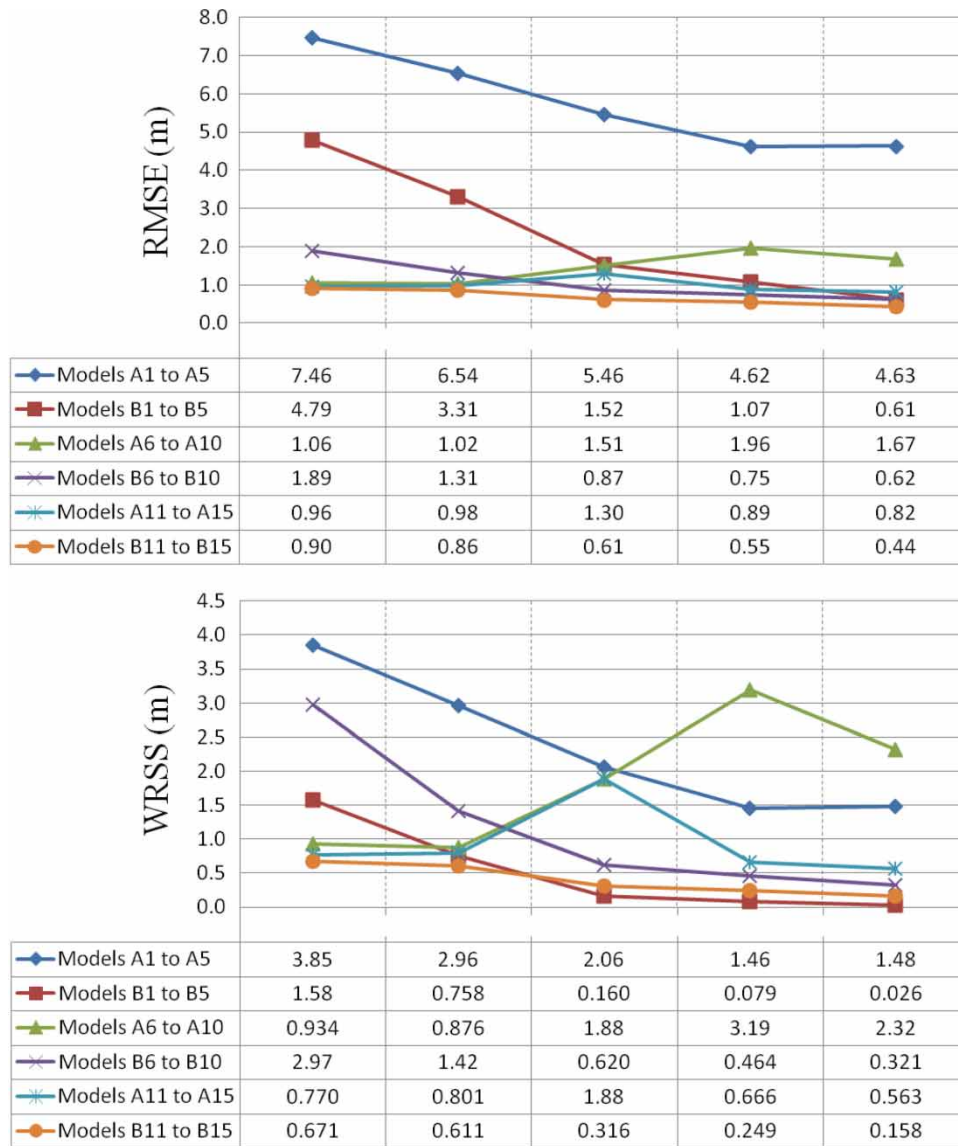

Figure 4 | RMSE and the WRSS errors for 30 models at the end of steady-state and transient modes of automatic calibration. Errors calculated between simulated and observed water levels of 18 observation wells.
