

Corrigendum: AQUA — *Water Infrastructure, Ecosystems and Society* 72 (5), 593–607: Techno-economic analysis of a hybrid electro dialysis–batch reverse osmosis process for brackish water desalination, Dipak Ankoliya, Anurag Mudgal, Manish Kumar Sinha, Vivek Patel and Jatin Patel, <https://dx.doi.org/10.2166/aqua.2023.088>

The authors regret that the Acknowledgments section was not included in their original paper and apologise for any inconvenience caused. The Acknowledgments are given below and the online version of the paper has been updated.

ACKNOWLEDGEMENTS

The authors acknowledge the project grant received from the Department of Biotechnology (Government of India, Project No. BT/IN/EU-WR/40/AM/2018) and the European Union's Horizon 2020 research and innovation program under grant agreement No. 820906. The authors are thankful to Pandit Deendayal Energy University for providing the necessary infrastructure and other facilities for the research work.
