Toxicological Sciences 147(1), 190–206, 2015

An error occurred in the September 2015 issue of Toxicological Sciences. On the first page of Kim et al., in the author affiliations section, “Laboratory of Stem Cells and Tissue Regeneration, Division of Biotechnology, College of Life Sciences & Biotechnology, Science Campus, Korea University, Seoul, 136-713, Republic of Korea” should be “Laboratory of Stem Cells and Tissue Regeneration, Department of Biotechnology, College of Life Sciences & Biotechnology, Science Campus, Korea University, Seoul, 136-713, Republic of Korea.”

The authors regret this error.
