RE: “SELF-REPORTED SYMPTOMS AND MEDICAL CONDITIONS AMONG 11,868 GULF WAR-ERA VETERANS: THE SEABEE HEALTH STUDY”

In the Discussion section of the paper by Gray et al. (1), published in the June 1, 2002, issue of the Journal, an error was printed regarding a year. The last sentence in the second paragraph on page 1042 should read, “NMCB 133 served in Iraq at Sikh, Sakho, and Sirsenk in April and May 1991.”

The Journal and the authors regret the error.
