CORRIGENDUM

Leaf movements and their relationship with the lunisolar gravitational force

Peter W. Barlow

Since the publication of this paper, it has become apparent that there was an error on line 6 of the Discussion (page 177), where \(1 \text{ g} \) is wrongly defined in terms of microGals. The statement: \(1 \text{ g} = 9.81 \times 10^{-8} \mu \text{Gals} \) should be \(1 \text{ g} = 9.81 \times 10^{8} \mu \text{Gals} \).

The author would like to apologize for this error.
