Faculty Disclosure

As an accredited provider of continuing medical education, Imedex, LLC requires speakers to disclose any real or apparent conflict of interest they may have as related to the contents of their presentation(s). The existence of commercial or financial interests of speakers related to the subject matter of their presentation(s) should not be construed as implying bias or decreasing the value of their presentation(s). However, disclosure should help participants form their own judgments.

All speakers were independently selected by the organizing committee. Those speakers who disclosed affiliations or financial interests with the commercial organizations involved with products, to which they may refer, are listed below.
