## A SUPPLEMENT TO PEDIATRICS

### Children, Adolescents and Screens: What We Know and What We Need To Learn

*Pamela Hurst-Della Pietra, DO, Editor*

This supplement has been produced by Children and Screens: Institute of Digital Media and Child Development, an independent, interdisciplinary nonprofit organization seeking objective, scientific, fundamental insights into children's engagement with digital media and its impact on their cognitive, psychological, social, behavioral and physical development.

The analysis, conclusions, and recommendations contained in each paper are solely a product of the individual workgroup and are not the policy or opinions of, nor do they represent an endorsement by Children and Screens: Institute of Digital Media and Child Development or the American Academy of Pediatrics.
