Nutcracker phenomenon presenting as loin pain haematuria syndrome

Holly B. Vince¹, Charles R. Tomson¹, Eric J. Loveday¹, Paul A. Lear¹ and John B. Eastwood²

¹Southmead Hospital, North Bristol NHS Trust, Bristol, UK and ²Department of Renal Medicine and Transplantation, St George’s, University of London, London, UK

Correspondence and offprint requests to: John B. Eastwood; E-mail: jbeastwood@btinternet.com

In the original published version of this paper there was an error in the citation for Reference 10. The citation should read: Mohamadi A, Ghasemi-Rad M, Mladkova N et al. Varicocele and nutcracker syndrome: sonographic findings. J Ultrasound Med 2010; 8: 1153–1160

In the original publication Dr Mladkova's initial was incorrectly given as M. The authors would like to apologise to Dr Mladkova for this error.
