

Bibliography on the Acid Treatment of Oil Wells*

BY P. E. FITZGERALD† AND J. C. GINDLESPERGER‡

1. *The Acidizer* (Trade Publication of Dowell Inc.):
 - No. 1. Aspects of Acidizing.
 - No. 2. Inhibited Acid.
 - No. 3. The Value of Acidizing.
 - No. 4. The Chemistry of Acidizing.
 - No. 5. Jelly Seal in Acidizing.
 - No. 6. Loosening Stuck Drill Pipe.
 - No. 7. The Geology of Acidizing.
2. J. C. Albright: Acid Is Being Used for Cleaning Intake Wells in Water-flooded Areas. *Oil Weekly* (Sept. 23, 1935) 24.
3. D. H. Baneroft: Acid Tests Increase Production of Zwolle Wells, Miller County, Arkansas. *Oil and Gas Jnl.* (Dec. 22, 1932) 42.
4. A. H. Bell: Possible Areas for Acid Treatment in Illinois. Pub. of Illinois-Indiana Petr. Assn. and Illinois Geol. Survey (1934) 49.
5. N. A. Best: Treating Limestone Formations Consists of More than Pouring Hydrochloric Acid in the Well. *Oil and Gas Jnl.* (April 5, 1934) 54.
6. L. G. E. Bignell: Sealing Off Salt Water from Oil-bearing Formations. *Oil and Gas Jnl.* (Jan. 30, 1936) 59.
7. L. G. E. Bignell: Acidizing Upper Limestone Formation Facilitated by the Use of Jelly Seal. *Oil and Gas Jnl.* (March 5, 1936) 30.
8. L. G. E. Bignell: Bailing, Shooting, Tubing and Acidizing Have All Been Tried in Deep Test at Binger, Oklahoma. *Oil and Gas Jnl.* (May 10, 1934) 38.
9. L. G. E. Bignell: Dowell Incorporated Increasing Its Field Service for Acid Treatment of Wells. *Oil and Gas Jnl.* (June 7, 1934) 62.
10. L. C. Chamberlain, Jr. and P. E. Fitzgerald: Oil Well Acidizing in Michigan. Mich. Acad. Sci. Papers (March 1937).
11. M. E. Chapman: Some of the Theoretical and Practical Aspects of the Acid Treatment of Limestone Wells. *Oil and Gas Jnl.* (Oct. 12, 1933) 10.
12. C. E. Clason and J. G. Staudt: Limestone Reservoir Rocks of Kansas React Favorably to Acid Treatment. *Oil and Gas Jnl.* (April 25, 1935) 53.
