Advertising and Corporate Services

In association with our leading journals, we offer tailored services to industry, including:

- Print, online and app advertising, with options to suit every campaign and budget
- Customized bulk article reprints and digital ePrints: excellent as handouts at conferences and to distribute via email or your website
- Sponsored peer-reviewed supplements and subscriptions
- Sponsored educational websites (microsites)
- Recruitment advertising in the Journals Career Network
- Custom book publishing - from our prestigious portfolio of over 2,000 medical titles, we can provide branded, tailored, or even bespoke publications, specific to your target market
