Editor’s Note

NP44  ASJ’s Position on Publishing Papers That Discuss Off-Label Product Usage
Foad Nahai, MD, FACS

Book Review

NP45  Facial Plastic Surgery Clinics of North America: Functional Rhinoplasty
Reviewed by: Phillip R. Langston, MD, FACS

More Reasons to Choose the Aesthetic Surgery Journal for Your Next Manuscript Submission

Articles are now publishing even faster—in approximately one week from acceptance. We have begun publishing the accepted version of articles (no copyediting or typesetting). Most articles will publish online in advance of print in approximately one week from acceptance. This innovation brings new research and clinical techniques to the attention of colleagues faster and offers another unique benefit for ASJ authors and readers.
