

Withdrawn: Masking agent efficiency on odor removal from WWTP sludge drying process

F. Rousseille and A. Ventura

Water Practice and Technology wpt2018017.
<https://doi.org/10.2166/wpt.2018.017>

The Journal of Water Practice and Technology issues a formal withdrawal in relation to the above article by F. Rousseille and A. Ventura. This decision has been taken as the authors failed to complete the necessary corrections to their paper, and production could not be completed. As a result of this the paper has been withdrawn.
