

# Errata

Yuasa T, Kakuhata R, Kishi K, Obata T, Shinohara Y, Bando Y, Izumi K, Kajiura F, Matsumoto M, Ebina Y: Platelet-derived growth factor stimulates glucose transport in skeletal muscles of transgenic mice specifically expressing platelet-derived growth factor receptor in the muscle, but it does not affect blood glucose levels. *Diabetes* 53:2776–2786, 2004

In the above-listed article, there are no lines connecting the symbols in Fig. 4F–H. The correct figure panels appear below.

Blüher S, Moschos S, Bullen J Jr, Kokkotou E, Maratos-Flier E, Wiegand SJ, Sleeman MW, Mantzoros CS: Ciliary neurotrophic factor<sub>Ax15</sub> alters energy homeostasis, decreases body weight, and improves metabolic control in diet-induced obese and UCP1-DTA mice. *Diabetes* 53:2787–2796, 2004

Dr. Sleeman's last name was misspelled in the above-listed article. The correct citation appears above, and the online version (<http://diabetes.diabetesjournals.org>) reflects this change.
