

Francesca Porcellati, Paolo Rossetti, Natalia Ricci Busciantella, Stefania Marzotti, Paola Lucidi, Steven Luzio, David R. Owens, Geremia B. Bolli, Carmine G. Fanelli: Comparison of pharmacokinetics and dynamics of the long-acting insulin analogs glargine and detemir at steady state in type 1 diabetes: a double-blind, randomized, crossover study. *Diabetes Care* 30:2447–2452, 2007

In Fig. 1 of the above-listed article, the left and right y-axis labels for “Glucose Infusion Rate” were listed incorrectly. A corrected figure is shown below.
